REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: with regards to the claim the prior art of record does not disclose or fairly teach a first high frequency transmission line having a signal line in a layer of a dielectric substrate; a second high frequency transmission line having a signal line in a different layer of a dielectric substrate; a third signal line which is provided in a layer between said first signal line of said first high frequency transmission line and said second signal line of said second high frequency transmission line and wherein a width of said third signal line is set to be between the width of said first signal line and said second signal line.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

NOTE: On the PTOL 326 mailed 7/14/06 box 10 was marked stating "The drawing(s) filed on 12 April 2001 is/ are objected to by examiner. This is an error. The drawings are accepted.
